Professional Summary

Senior Graphic Designer, UI Designer, and Video Editor with 5+ years of combined experience creating brand-led visual communication across digital campaigns, social media, presentations, print collateral, UI/UX concepts, marketing creatives, video content, and corporate design assets.

Skilled in converting briefs, marketing objectives, and brand requirements into clear, consistent, execution-ready assets for digital and offline channels. Strong in visual hierarchy, typography, layout systems, image treatment, brand consistency, campaign design, UI thinking, video editing, and multimedia production.

Career Highlights

- Built a broad creative portfolio across branding, digital campaigns, UI concepts, social media creatives, presentation systems, video edits, Meta ads, and AI-assisted visual concepts.
- Handled end-to-end creative execution from layout planning and image treatment to final delivery for campaign, sales, print, digital, and presentation formats.
- Combined graphic design, UI thinking, video editing, motion graphics, and drone/aerial production capability to support multi-format brand storytelling.
