PROFESSIONAL EXPERIENCE

Property Master Pvt. Ltd. | Senior Graphic Designer | February 2025 - Present

- Own senior-level creative execution for premium real estate marketing campaigns, sales presentations, brochures, digital ads, print collateral, and brand communication assets.
- Translate sales and campaign briefs into polished visual systems with clear hierarchy, premium spacing, strong image treatment, and consistent brand presentation.
- Develop campaign-ready creatives for social media, lead generation, property promotions, customer-facing decks, reels, and offline marketing touchpoints.
- Support marketing and sales stakeholders with design solutions that improve communication clarity, presentation quality, and campaign readiness.

Group Bayport | Graphic Designer | 3 Years

- Created brand and marketing assets for corporate communication, digital campaigns, social media, presentations, and promotional content.
- Developed clean, professional layouts for business communication, marketing collateral, internal presentations, and campaign support material.
- Managed design production with focus on quality control, visual consistency, quick turnaround, versioning, resizing, and brand alignment.
- Collaborated with internal teams to deliver execution-ready visual assets across multiple communication and campaign formats.

7P Digital Services | Graphic Designer and Video Editor | 7 Months

- Designed digital creatives, social media posts, campaign visuals, and promotional assets for online communication.
- Edited reels, promotional videos, and digital campaign formats using Adobe Premiere Pro and Adobe After Effects.
- Adapted creative assets across platform-specific formats while maintaining visual clarity and brand consistency.

Citymall, Gurugram | Graphic Designer Intern | 3 Months

- Supported design production for digital graphics, marketplace visuals, promotional assets, and consumer-facing communication.
- Created clean, brand-aligned visuals for digital platforms, marketing communication, and campaign support.

YPR Eng. and Sol. Private Limited | Graphic Designer Intern | 6 Months

- Assisted with graphic design tasks including layout support, creative preparation, and visual asset development.
- Built foundational experience in design tools, production workflows, and structured creative execution.

Krash IT Services | Graphic Designer Intern | 5 Months

- Supported basic graphic design, layout development, visual cleanup, and creative asset preparation.
- Developed practical understanding of typography, spacing, composition, and design tool usage.

SELECTED PROJECTS AND PORTFOLIO HIGHLIGHTS

- Built portfolio case studies across branding, digital campaigns, social media creatives, presentation systems, AI-assisted visual concepts, video edits, and Meta ad campaign visuals.
- Created UI/UX and website presentation concepts for brands including Aurea Dental, GreenAura, and KENT-style digital experience case studies.
- Produced AI-assisted visual direction projects including commercial architecture concepts, interior image consistency, multi-angle visual exploration, product/luxury ad concepts, and realistic human placement workflows.
- Developed portfolio-ready creative assets that demonstrate design thinking, visual consistency, premium composition, and multi-format brand storytelling.

AI CREATIVE AND PRODUCTION CAPABILITY

- Prompt-based visual ideation for campaign concepts, interiors, architecture, product advertising, lifestyle scenes, and realistic image direction.
- AI-assisted image consistency, scene refinement, multi-angle exploration, image editing direction, and visual workflow planning for portfolio and campaign use.
- Drone videography and aerial visual production for property shoots, walkthrough visuals, promotional films, reels, and marketing communication.
